This Addendum consists of two (2) pages and two (2) attachments. The information contained in this addendum shall be incorporated into the project bid and contract documents the same as if originally contained therein.

Bidders shall acknowledge receipt of this addendum on the Bid Proposal form in the space provided. Failure to acknowledge this addendum by any prospective bidder will render the bid non-responsive.

1. **QUESTIONS RECEIVED FROM PROSPECTIVE BIDDERS DURING NON-MANDATORY PRE-BID MEETING**

Q1: Are streets paved between the project area to the staging area?

A1: Yes. The project is in a residential neighborhood, and Bali Rd & Montego Ct are paved.

Q2: Where is the closest fire hydrant?

A2: Water hydrant can be found on the upstream side of Channel B crossing. Please coordinate with the City of Rio Rancho for using water meter for construction.

Q3: What is the pipe material of the existing culvert?

A3: Corrugated metal pipe was used for Channel A & B crossings at Montego Ct.

Q4: Material of the storm drain pipe is not called out on the plans. What material should be used for the project?

A4: NMDOT Standard Specification 570 is the governing specification for the storm drain pipe, as shown on the Unit Price Bid Proposal. The specification provides the allowable
materials that can be used for storm drain pipe. SSCAFCA did not specify the pipe material in order to provide flexibility to the prospective bidders.

Q5: Will NMDOT be providing project oversight?
A5: No, the project will not involve NMDOT oversight.

Q6: Are there any preference given to bidders?
A6: Per Article 19.06 Instructions to Bidders (Page 14), Veteran’s Resident Business and Resident Business preference will be applied.

Q7: Is the sign detail posted on SSCAFCA website?
A7: SSCAFCA sign detail will be provided with Addendum #1.

Q8: Will SWPPP be required for this project? If yes, please provide a bid item.
A8: The project area is less than one acre and SWPPP is not required.
