Currently the Metropolitan Transportation Board (MTB) of the Mid Region Council of Governments (MRCOG) meets at the exact same time, the third Friday at 10 am, and SSCAFCA is a member of the MTB. In order to allow a Board Director to attend the MTB meetings, staff were recommending switching the Board Meetings to the third Thursday instead of the third Friday of each month.

In response to a question from the Board, the proposed date does not conflict with other meetings of the MRCOG or AMAFCA.

2. **Update on Resolution to establish reserve fund for PERA unfunded liabilities.**

Ms. Casaus stated that this is an on-going issue from the adoption of GASB 68 by all public agencies. At the end of FY17, SSCAfCA’s unfunded liability was $1.44 million. In FY18 our liability decreased slightly to $1.27 million. However, with the adoption of GASB 74, public agencies are now required to account for the unfunded liabilities of Other Post Employment Benefits (OPEB), which included Retiree Health Care. This adds $861,000 in additional liability for SSCAfCA.

Ms. Casaus stated that in consultation with our financial advisor, RBC Capital Markets, we had investigated pursuing steps to address this internally, such as establishing a separate fund reserve. However, in light of the upcoming legislative session, it was her recommendation to wait and see if the Legislature will enact any legislation to address the liability.
