**STAFF REPORTS.**

**Executive Engineer:**

1. **RESOLUTION 2019-05 Requesting the City Of Rio Rancho Planning and Zoning Board Consider Drains and Impacts from the Mariposa Zone Map Amendment Case #18-100-00013.**

   Mr. Thomas presented Resolution 2019-05 and stated that this resolution was related to a current zone map amendment currently in review before the City of Rio Rancho Planning & Zoning Board. The zone map amendment proposed the rezoning of approximately 695 acres of the Mariposa Development from R-1 and OS-1 to R-4. This proposed amendment would potentially impact the headwaters of four of the SSSACFA watersheds Parks, the Zia, Venada, Barranca and Montoyas. Mr. Thomas stated that the concern of staff is that the re-zoning would allow small portions of the re-zoned area to be developed without consideration of the drainage impacts of the entire re-zoned area. This resolution requests that the Planning & Zoning Board place a condition on the approval of the zone map amendment that would require the entire re-zoned area to be re-evaluated for drainage impacts under the new R-4 designation and identify any proposed changes to the discharge quantity, quality or development limitations to stay within the currently approved discharge limitations established in the current Mariposa Master Drainage Plan.

   In response to a question from Director Conkling, Mr. Thomas stated that SSSACFA is part of the CORR Development Review Committee and can provide comments or recommendations on any proposed development within the area. Mr. Thomas also clarified that he would attend the Planning & Zoning Board Meeting to provide clarification to the Board on the Resolution.

   A motion was made by John Chaney to pass and approve Resolution 2019-05 as presented. It was seconded by Mark Conkling.

   Roll call vote: John Chaney, yes; Mark Conkling, yes; James Fahey, yes; Michael Obrey, yes. The motion carried 4-0.

2. **Action/Acceptance of Regular Committee Meeting Schedule**

Mr. Charles Thomas stated that he is proposing the same regular schedule for all the SSSACFA committee meetings as last year. He stated that the Executive Committee will meet
every month, the Budget Committee, Personnel Committee and the Quality of Life Committee will meet every other month with the meetings being staggered, and the Lobbyist/Legislative Liaison meeting occurring on a tri-annual basis, i.e., before the legislative session, after the legislative session, and then in the fall as a preparatory meeting for the next year's activities.

A motion was made by James Fahey to approve the regular committee meeting schedule as presented. It was seconded by John Chaney and passed unanimously.

3. **Action/Approval of Selection/Agreement with Select ROW for acquisition services for the Playa Preservation project.**
