STAFF REPORTS.

Executive Engineer:

1. Federal Legislative Update
Mr. John O’Donnell, of MMO Partners, presented information regarding federal legislative actions. Mr. O’Donnell noted that MMO Partners has been working on behalf of SCAFCO since 2014, and since that time, has obtained $15 million in funding from Federal Agencies with another $8 million pending award. The funding has been obtained through the Federal Highway Administration, Federal Emergency Management Agency and the Environmental Protection Agency Clean Water State Revolving Fund (CWSRF). Other contributions have been received from the US Army Corps of Engineers (USACE) and the Bureau of Reclamation.

Mr. O’Donnell stated that SCAFCO has achieved an improved presence and recognition in Washington D.C through our efforts. This includes briefing the US Congressional delegation on SCAFCO’s priorities and needs. Mr. O’Donnell stated that providing feedback to the funding agencies is critical to document the successful implementation of the federal funds.

Mr. O’Donnell stated that it was his belief that there would be no Infrastructure bill until 2021 and Congress is currently focused on passing a transportation bill instead. The other key bill is the Water Resources Development Act (WRDA), which Congress tries to pass every two years. Congress is currently working on the new WRDA bill and SCAFCO may be able to receive funding through the USACE.

2. Presentation on FY 2021-2025 Infrastructure Capital Improvement Plan (ICIP).

Mr. Thomas presented the proposed 2021-2025 ICIP and opened the public comment period on the proposed ICIP. He indicated that there were only a few changes from last year’s plan.

Mr. Thomas stated that the top five projects have switched. The top five projects are Tributary A Dam, Lower Montoyas Bank Stabilization, Lomitas Negras Phase 3, Industrial Park Water Quality and Lower Venada Bank Stabilization Project. Mr. Thomas provided an overview of those projects.

In response to a question from the Board, Mr. Thomas stated that he was working closely with the Bureau of Reclamation on the construction and maintenance of the confluence of the Lower Venada with the low flow channels in the Rio Grande. Mr. Thomas stated that application for funding for the Lower Venada project has been requested through the CWSRF and the USACE.

3. Action/Approval of Resolution 2019-10 Accepting Grant Agreement and Authorizing Official Representative and Signatory Authorities (SAP 19-D2526-GF) (Lisbon Channel).

Mr. Thomas stated that this resolution was to accept $408,000 from the 2019 Legislative Session in support of improvements to the Lisbon Channel project and establish official representatives on behalf of SCAFCO.

A motion was made by James Fahey to approve Resolution 2019-10 as presented. It was seconded by Mark Conkling. Roll call vote: Mark Conkling, yes; James Fahey, yes; Chairman Obrey yes. The motion carried 3-0.

Mr. Thomas stated that this resolution was to accept $136,000 from the 2019 Legislative Session in support of the Upper Bosque de Bernalillo phase 2 project and establish official representatives on behalf of SCAFCO.
