

Advertisement for Staff Engineer (Operations)

The Southern Sandoval County Arroyo Flood Control Authority (SSCAFCA) is currently seeking a Staff Engineer to join our Team. The Staff Engineer will perform duties within the Facility Operations Division, including oversight and management of SSCAFCA's regulatory compliance activities, review of private development within agency jurisdiction, development of engineering designs for Facility Operations Division projects, and assist with implementation of SSCAFCA's Quality of Life Master Plan. A full description of position requirements is posted on SSCAFCA's website.

Excellent benefits including participation in the Public Employee Retirement Association. Visit www.SSCAFCA.org for further information. Deadline for submitting application is February 12, 2023.

SSCAFCA is an equal opportunity employer.
